APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
and do hereby grant the same, subject to the following limitations and
conditions:

This permit is issued subject to all existing rights on the
source. It is understood that the 0.423 cubic foot of water per second
herein granted is only a temporary allowance and that the final water right
obtained under this permit will be dependent upon the amount of water
actually placed to a beneficial use. A suitable measuring device must be
installed and accurate measurements of the water placed to a beneficial use
must be included in the proof of such use when filed. The State retains
the right to regulate the use of the water herein granted at any and
all times.

The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed 0.423
cubic foot per second.

Actual construction work shall begin on or before September 5, 1956

Proof of commencement of work shall be filed before October 5, 1956

Work must be prosecuted with reasonable diligence and be completed on or
before September 5, 1957

Proof of completion of work shall be filed before October 5, 1957

Application of water to beneficial use shall be made on or before

September 5, 1958. Proof of the application of water to beneficial

use must be filed with State Engineer on or before October 5, 1958

Was Filed AUG 11 1955

JAN 14 1958

WITNESS MY HAND AND SEAL this 5th day

Cancelled because of failure
of applicant to comply with the provisions of permit

of March 1956
